

All committee, coaches, administrators and volunteers of the Maccabi Victoria Basketball Club (MVB) are required to observe child safe principles and expectations for appropriate behaviour towards and in the company of children, as noted below.

All Committee members, Age Group Coordinators, Team Managers, Coaches and Assistant Coaches (over 18) and volunteers are required to:

- undertake the Child Protection Online Training Module course via Maccabi Victoria
- obtain a Victorian Working with Children's Check (WWC)

All personnel of the MVB are responsible for supporting the safety, participation, wellbeing and empowerment of children by:

- always adhering to the MVB child safe policy and upholding the MVB statement of commitment to child safety at all time
- taking all reasonable steps to protect children from abuse
- treating everyone with respect
- listening and responding to the views and concerns of children, particularly if they are telling you that they or another child has been abused and/or are worried about their safety or the safety of another
- promoting the cultural safety, participation and empowerment of children with culturally and/or linguistically diverse backgrounds (for example, by having a zero tolerance of discrimination)
- promoting the safety, participation and empowerment of children with a disability (for example, during personal care activities)
- ensuring as far as practicable that adults are not left alone with a child
- reporting any allegations of child abuse to the MVB Child Safety Officer and ensure any allegations are reported to the police or child protection
- reporting any child safety concerns to the MVB Child Safety Office
- if an allegation of child abuse is made, ensure as quickly as possible that the child(ren) are safe
- encouraging children to 'have a say' and participate in all relevant organisational activities where possible, especially on issues that are important to them.

Staff and volunteers must not:

- develop any 'special' relationships with children that could be seen as favouritism (for example, the offering of gifts or special treatment for specific children)
- exhibit behaviours with children which may be construed as unnecessarily physical (for example inappropriate sitting on laps. Sitting on laps could be appropriate sometime, for example while reading a storybook to a small child in an open plan area)
- put children at risk of abuse (for example, by locking doors)
- do things of a personal nature that a child can do for themselves, such as toileting or changing clothes
- engage in open discussions of a mature or adult nature in the presence of children (for example, personal social activities)
- use inappropriate language in the presence of children
- express personal views on cultures, race or sexuality in the presence of children
- discriminate against any child, including because of culture, race, ethnicity or disability

- ignore or disregard any suspected or disclosed child abuse.

By observing these standards, you acknowledge your responsibility to immediately report any breach of this code to the MVB Child Safety Officer. If you believe a child is at immediate risk of abuse, phone 000. By registering with the Club, it is understood that you acknowledge that as an individual player, as a parent and as a family you have read, understood and agree to abide by the Code.
